With its Business & Management for Professionals Bachelor program, the Entrepreneurial School® promised a practical, high-quality education, and it kept its promise. Studying part-time took a lot out of me personally but in the end, I could say with a slight nod of the head "It was worth it!". After successfully completing my studies in 2017, I now took on the responsibility as the Head of Compensation & Benefits and Data Management within the Plansee Group.

Ralf Hosp, Graduate Bachelor Business & Management for Professionals
