85.7% **Overall rating of study program**
rate their study program with an "excellent" or "good" mark

87.7% **Student support**
rate the support they received during their studies as "excellent" or "good"

The industrial engineering program of MCI did an excellent job combining proven basic knowledge with new ideas from the digital world. Thanks to the smart curriculum design and the healthy mix of lecturers from the field as well as academia, I was able to compare different perspectives on certain problems and thus specifically incorporate new methods into my actions.

Johannes Tomac, Graduate Master Industrial Engineering & Management

Key data of the survey

Method: Full anonymous written survey using a standardized online questionnaire

Time frame: 2019/20

Response rate: 37.9%
