

Information on Admission

MA International Business & Management (Management Center Innsbruck) study programme code 0622

Introduction

According to § 4 para. 4 FHStG, the educational requirement for admission to a university of applied sciences master degree programme shall be the completion of a subject-relevant university of applied sciences bachelor degree programme or the completion of an equivalent degree programme at a recognised domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the programme director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree programme.

Definition of „relevant“

Graduates of appropriate Bachelor's or Diploma's Programs equivalent educational achievements like:

- * Graduates of the Bachelor's Program "Business & Management"
- * Graduates of appropriate at least six semester Bachelor's Program of economic science.

e.g.:

20

Common transfers

Students often transfer to a master degree programme after having completed one of the following bachelor or university of applied sciences bachelor degree programmes:

Bachelor degree programmes/University of applied sciences bachelor degree programmes	Higher education institution	Admission
BA Business & Management (all versions of the curriculum)	MCI Management Center Innsbruck	without conditions ¹
BA Wirtschaft & Management (all versions of the curriculum)	MCI Management Center Innsbruck	without conditions
BA Management & Recht (all versions of the curriculum)	MCI Management Center Innsbruck	without conditions
BA Management, Communication & IT (all versions of the curriculum)	MCI Management Center Innsbruck	without conditions
BA Nonprofit-, Sozial- & Gesundheitsmgt. (all versions of the curriculum)	MCI Management Center Innsbruck	without conditions
BA Tourismus- & Freizeitwirtschaft (all versions of the curriculum)	MCI Management Center Innsbruck	without conditions
BA Business & Economics (all versions of the curriculum)	University of Innsbruck	without conditions
Other applicable national and international bachelor degree programmes	...	

However, in case electives in the above-mentioned fields have been successfully completed, admission may also be possible without conditions.

Please bear in mind that the educational requirement for admission can also be fulfilled by other bachelor or university of applied sciences bachelor degree programmes, and that the listed examples are not exhaustive.

Please note that only a limited number of study places is available for the master degree programme. Therefore, the fulfilment of the educational requirement for admission does not constitute a claim to a study place. According to § 11 FHStG, an admission procedure shall be conducted at least in those cases where the number of applicants for a degree

¹ Conditions required in order to achieve equivalence as defined by § 4 Abs 4 FHStG.

programme exceeds the number of available places. The programme director shall be responsible for designing the admission procedure.

Please contact Silke Bernhart (silke.bernhart@mci.edu) for any questions regarding admission.

Please note that this fact sheet will not be legally binding as regards admission.
